

Just a brief update this time! We have lots of news at the end of a very busy and exciting term. First of all apologies that we have not managed to fit in an open morning; the weeks have flown by. We will have one early in the new term and you are of course welcome to pop in any time.

In the spring term we will continue to develop the theme of the weather and the changing seasons as we look at winter and also think about different climates and environments around the world. We want to explore making dens and develop some role play and drama around this theme. If you have any photographs or other artefacts from overseas that we might borrow then please speak to Lorraine.

And finally, to end on some really good news - we have recently heard that we have been successful in gaining a grant from Awards For All for £10,000! This is to be spent on toys, equipment, staff training and marketing over the next year - we are delighted and very excited!

Smile Please!!

Thank you to everyone who purchased photos. The commission came to just over £25 - we have used the money to buy the children Christmas gifts.

Good-bye Rebekah!

Rebekah flies off to Fiji in mid-January for some 'gap' year experience and work. We are sorry she is leaving and thank her for all her hard work this term. We wish her all the very best on her travels (and hope she'll remember to send us a postcard!)

Hello Popi!

We have recruited a new member of staff to join the team; Popi joins us on January the 3rd.
